TOQUAHT NATION GOVERNMENT
FISHERIES REGULATION TNR 5/2011
OFFICIAL CONSOLIDATION - CURRENT TO JUNE 10, 2014

PART 1 - INTRODUCTORY PROVISIONS

Short title

1.1 This regulation may be cited as the Fisheries Regulation.

Application

1.2 This regulation governs harvesting in Toquaht fisheries.

Definitions

1.3 In this regulation,

“Act” means the Resources Harvesting Act;

“application” means the applicable form attached as Schedule 1 to this regulation;

“enforcement officer” means

(a) a resource management officer, or

(b) a fishery officer as defined in the Fisheries Act (Canada);

“family member” means a spouse, son, daughter, parent, grandparent, grandchild, aunt, uncle, nephew or niece of a Toquaht enrollee;

“fishing gear” means any equipment or methods used to catch fish and, for certainty, includes a fishing vessel;

“incidental catch” means any fish unintentionally caught in the fishing gear of a person and that fish is not the primary target for which that person’s fishing gear is set;

“manager” means a manager of fisheries appointed under section 5.1 of the Act;

“Toquaht fishing authorization” means Toquaht fishing documentation, Toquaht commercial fishing documentation or a Toquaht commercial fishing licence, as the context may require;

“Toquaht fishing authorization number” means the number designating a valid and current Toquaht fishing authorization assigned at the time the Toquaht fishing authorization is issued.

TOQUAHT NATION GOVERNMENT
FISHERIES REGULATION TNR 5/2011
OFFICIAL CONSOLIDATION - CURRENT TO JUNE 10, 2014

PART 2 - FISHERIES ADMINISTRATION

Manager of Toquaht fisheries

- 2.1**
- (a) The position of manager of fisheries is established as a position within the Department of Lands, Public Works and Resources.
 - (b) In accordance with section 5.1 of the Act, the director of operations may appoint an individual to hold the office of manager.
 - (c) The manager reports to the director.

Duties of the manager of fisheries

- 2.2** The manager must carry out the following duties:
- (a) manage and administer the Toquaht fisheries;
 - (b) ensure that Toquaht government employees within the Department of Lands, Public Works and Resources carry out the duties assigned to them relating to Toquaht fisheries
 - (i) under this or any other Toquaht enactment,
 - (ii) by the manager, or
 - (iii) by the director;
 - (c) report, as required by the director, to the Executive on Toquaht fisheries activities; and
 - (d) any other duties assigned to the manager
 - (i) under this or any other Toquaht enactment, or
 - (ii) by the director.

Manager's authority may be delegated

- 2.3**
- (a) Upon the approval of the director, the manager may delegate the performance of any of the manager's duties or the exercise of any of the manager's powers to
 - (i) another manager within the Department of Lands, Public Works and Resources,
 - (ii) a Toquaht government employee, or
 - (iii) an independent contractor of the Toquaht Nation.

- (b) Despite the delegation of any duties or powers under subsection (a), the manager remains responsible for ensuring that those duties are carried out properly and those powers are exercised appropriately.
- (c) In the event that a Toquaht fishing authorization is to be revoked for a family member of the manager, the manager must, in accordance with the Integrity Act, delegate his or her responsibility respecting the revoking of that Toquaht fishing authorization to an individual identified in subsection (a).

PART 3 - TOQUAHT FISHING AUTHORIZATION

Application for authorization

- 3.1** (a) The director has the sole authority to authorize the issuance of a Toquaht fishing authorization and the designation of fishing vessels by means of approving an application.
- (a.1) The applicable Form in Schedule 1 is prescribed for the purposes of section 2.6 of the Act for making an application for Toquaht fishing documentation.
- (b) An application must be completed by an applicant applying for a Toquaht fishing authorization and that applicant must include the following information:
- (i) the full name and mailing address of the applicant;
 - (ii) the phone number of the applicant;
 - (iii) Toquaht enrollee's enrolment number, if applicable;
 - (iv) the type of fishing gear to be used by the applicant;
 - (v) the particulars as defined in section 4.1 for the fishing vessel, if any, to be used by the applicant;
 - (vi) the signature of the applicant; and
 - (vii) a certification on the application stating the information given in the application or any supporting document submitted as required under section 2.6 of the Act is true.
- (c) When an application for a Toquaht fishing authorization is received by the director, the manager must record the following information:
- (i) the date the application was received;
 - (ii) the date the Toquaht fishing authorization was issued or refused;
 - (iii) if a Toquaht fishing authorization is issued,
 - (A) its date of issuance and its date of expiration,
 - (B) any conditions imposed on the Toquaht fishing authorization, and
 - (C) the Toquaht fishing authorization number;
 - (iv) the fee paid, if any; and

- (v) the name of the authorized Toquaht government employee who processed the application.

Conditions of authorization

- 3.2**
- (a) For the proper management and control of Toquaht fisheries and the conservation and protection of fish and aquatic plants, the director may attach the conditions the director decides are appropriate to a Toquaht fishing authorization that are not inconsistent with the Act, this regulation, any other Toquaht enactment, a Maa-nulth harvest document and the annual fishing plan.
 - (b) It is a condition of every Toquaht fishing authorization issued that the holder of the Toquaht fishing authorization comply with the Maa-nulth Treaty, Maa-nulth harvest documents, the Act, this regulation, any directions issued by the manager or director as permitted under the Act or this regulation and the annual fishing plan.
 - (c) Every person carrying out any activity under the authority of a Toquaht fishing authorization must comply with every condition of that Toquaht fishing authorization.

Form of authorization

- 3.3**
- (a) A Toquaht fishing authorization issued by the director must include the following:
 - (i) the Toquaht Nation logo;
 - (ii) the Toquaht fishing authorization number;
 - (iii) the photograph of the holder of the Toquaht fishing authorization;
 - (iv) the name and address of the holder of the Toquaht fishing authorization;
 - (v) the date of issue of the Toquaht fishing authorization;
 - (vi) the date of expiration of the Toquaht fishing authorization; and
 - (vii) a location for the signature of the holder of the Toquaht fishing authorization.
 - (b) A Toquaht fishing authorization issued by the director to a person that is not a Toquaht enrollee must include the following:
 - (i) the Toquaht Nation logo;
 - (ii) the Toquaht fishing authorization number;

- (iii) the name and address of the holder of the Toquaht fishing authorization;
 - (iv) the date of issue of the Toquaht fishing authorization;
 - (v) the date of expiration of the Toquaht fishing authorization; and
 - (vi) a location for the signature of the holder of the Toquaht fishing authorization.
- (c) A Toquaht fishing authorization issued by the director is not valid unless it is signed in ink on the place designated on the Toquaht fishing authorization;
- (i) by the holder of the Toquaht fishing authorization, or
 - (ii) in the case of a corporate holder of the Toquaht fishing authorization, by an authorized signatory of the corporate holder.

Term of authorization

- 3.4** (a) A Toquaht fishing authorization issued to a Toquaht enrollee has a term of five years.
- (b) A Toquaht fishing authorization issued to a person that is not a Toquaht enrollee, Toquaht commercial fishing documentation or a Toquaht commercial fishing licence issued to a Toquaht enrollee will have a specified term not to exceed one year.
- (c) If the holder of a Toquaht fishing authorization ceases to be a Toquaht enrollee or otherwise ceases to be an agent or contractor of the Toquaht Nation, the holder must immediately cease fishing and the Toquaht fishing authorization issued to that holder is deemed to be cancelled as of the date that holder ceased to be a Toquaht enrollee or otherwise ceased to be an agent or contractor of the Toquaht Nation and must be immediately delivered to the manager and, in any event, no later than five business days from the date the Toquaht fishing authorization is deemed cancelled.
- (d) If a person's Toquaht fishing authorization is cancelled or suspended, the person must deliver the Toquaht fishing authorization to the manager within five business days of the notice of cancellation or suspension.

Replacement of authorization

- 3.5** (a) If the holder of a Toquaht fishing authorization has
- (i) a change of name or address,
 - (ii) their Toquaht fishing authorization lost, stolen or destroyed, or

- (iii) an illegible Toquaht fishing authorization,

the manager may issue a replacement Toquaht fishing authorization showing any applicable changes.
- (b) On receipt of a replacement Toquaht fishing authorization, the holder of the Toquaht fishing authorization must immediately destroy the Toquaht fishing authorization that has been replaced if it is still in the holder's possession.
- (c) If the holder of a replacement Toquaht fishing authorization recovers the Toquaht fishing authorization that was replaced, the holder must immediately destroy it.

Documentation fees

- 3.6** The fees set out in section 3.6 of the Wildlife and Migratory Birds Regulation are prescribed for the purposes of section 2.6 of the Act as the application fee for Toquaht fishing documentation.

Authorization issued in error

- 3.7** If a Toquaht fishing authorization was issued in error or contains an error, the manager may:
- (a) request the holder of the Toquaht fishing authorization to deliver it to the manager so it can be corrected or replaced, and
 - (b) the holder of the Toquaht fishing authorization must within five business days comply with the request.

Ownership of authorization

- 3.8** A Toquaht fishing authorization is the property of the Toquaht Nation and is not transferable.

Surrender of authorization on suspension

- 3.9** If a Toquaht fishing authorization is suspended, the holder of the Toquaht fishing authorization must,
- (a) within five business days deliver the Toquaht fishing authorization to the manager, and
 - (b) immediately cease fishing under the Toquaht fishing authorization.

Requirement to carry and produce authorization

- 3.10** A holder of a Toquaht fishing authorization must

-
- (a) carry that Toquaht fishing authorization at all times while harvesting in Toquaht fisheries,
 - (b) in the case of a person that is not a Toquaht enrollee, carry government issued photo identification, and
 - (c) produce that
 - (i) Toquaht fishing authorization, and
 - (ii) in the case of a person that is not a Toquaht enrollee, that government issued photo identification,on the request of an enforcement officer.

Restrictions on alteration and use of authorization

- 3.11** (a) A person other than the manager must not
- (i) alter or deface a Toquaht fishing authorization,
 - (ii) use or produce a Toquaht fishing authorization that has been altered or defaced,
 - (iii) use or produce a Toquaht fishing authorization that has been issued to another person under the pretence of being the holder of that Toquaht fishing authorization, or
 - (iv) use or produce a Toquaht fishing authorization that has since been replaced under section 3.5.
- (b) A holder of a Toquaht fishing authorization must not permit another person to use that Toquaht fishing authorization.

TOQUAHT NATION GOVERNMENT
FISHERIES REGULATION TNR 5/2011
OFFICIAL CONSOLIDATION - CURRENT TO JUNE 10, 2014

PART 4 - HARVESTING REQUIREMENTS

Fishing vessels

4.1 Vessels fishing in Toquaht fisheries must:

- (a) be designated by the director,
- (b) be compliant with applicable marine safety enactments, and
- (c) have a Toquaht Nation decal or flag prominently displayed on the vessel.

Identification of fishing gear

- 4.2
- (a) No person may set, operate or leave unattended in the water any fishing gear, other than hand lines, unless the fishing gear is marked in accordance with subsections (c) to (e) with a Toquaht fishing authorization number.
 - (b) A Toquaht fishing authorization number must be painted on or otherwise securely affixed to an orange tag, float or buoy attached to the fishing gear and be legible and readily visible at all times without the necessity of raising the fishing gear from the water or, if the water is ice covered, without the necessity of removing any snow or ice.
 - (c) The numerals or letters, as the case may be, of a Toquaht fishing authorization number marked on fishing gear as referred to in subsection (a) must be in solid block Arabic numerals or block capital letters in Roman characters, as the case may be,
 - (i) without ornamentation,
 - (ii) not less than 75 mm in height, and
 - (iii) in a colour that contrasts with their background.
 - (d) A tag, float or buoy referred to in subsection (b) must have only one Toquaht fishing authorization number marked on it.
 - (e) A tag, float or buoy referred to in subsection (b) must
 - (i) if one end of the fishing gear is fastened to the shore, be affixed to the end of the fishing gear farthest from the shore, and
 - (ii) in any other case, be affixed to each end of the fishing gear.

Fishing gear with mesh

- 4.3 A person who is fishing for a species of fish with fishing gear for which an Order of the director requires a minimum mesh size must not use any device by means of which openings are created in any part of the fishing gear that are smaller in size than the mesh size ordered for that species.

Release of incidental catch

- 4.4 (a) Subject to subsection (b), every person who exercises the right to harvest fish and aquatic plants and harvests incidental catch that is alive must immediately return that incidental catch
- (i) to the place from which that incidental catch was taken, and
 - (ii) in a manner that causes that incidental catch the least harm.
- (b) Every person who exercises the right to harvest fish and aquatic plants and harvests incidental catch that subsequently dies or is likely to imminently die must retain that incidental catch and not return that incidental catch to the place from which that incidental catch was taken.

Identification

- 4.5 A person who harvests fish must not, before processing or preserving that fish on shore, have that fish in that person's possession if the fish has been skinned, cut, packed or otherwise dealt with in such a manner that
- (a) the species of the fish cannot be readily identified,
 - (b) the number of fish cannot be readily determined,
 - (c) if weight is used to determine catch limits, the weight of the fish cannot be readily determined, or
 - (d) if size, age, weight or sex restrictions are applicable, the size, age, weight or sex of the fish cannot be readily determined

except for fish consumed by that person off shore.

Reporting of catch

- 4.6 (a) A holder of a Toquaht fishing authorization must report to the manager the quantity of fish and aquatic plants harvested in Toquaht fisheries in accordance with the terms and conditions established by the director, by Order.

- (b) The catch reporting requirements referred to in subsection (a) must be consistent with those described in any Maa-nulth harvest document, the Maa-nulth fisheries operational guidelines and any management plan developed for Toquaht fisheries.

Time and location of harvests

- 4.7**
- (a) The time and location of harvesting in Toquaht fisheries that are permitted or prohibited under this section are subject to an Order of the director under section 5.4 of the Act or under section 5.4 of this regulation.
 - (b) A person must not harvest in Toquaht fisheries at a time or in a location other than as permitted in this section.
 - (c) Subject to the Maa-nulth Treaty, the Act and this regulation, every person with valid Toquaht fishing documentation is authorized by the Toquaht Nation to exercise the right to harvest fish and aquatic plants under the Maa-nulth Treaty at the times and locations permitted by the director from time to time, by Order.
 - (d) Subject to applicable federal law and provincial law, every person with valid Toquaht commercial fishing documentation or a valid Toquaht commercial fishing licence at the times and locations permitted by the director from time to time, by Order.

Restrictions

- 4.8** A person who catches and retains fish under a Toquaht fishing authorization must comply with any applicable size, age, weight and sex restrictions contained in an Order made by the director under section 5.4 of the Act or under section 5.4 of this regulation.

PART 5 - GENERAL

Trade and barter of fish or aquatic plants

- 5.1** (a) A person who harvests fish or aquatic plants in Toquaht fisheries may trade and barter those fish or aquatic plants with other aboriginal people if
- (i) the harvester is a Toquaht enrollee,
 - (ii) the species of fish or aquatic plants is approved for trade and barter by the director, and
 - (iii) the harvester is in possession of a transportation certificate referred to in section 5.2(a) if the trade and barter will occur outside the Maa-nulth domestic fishing area.
- (b) All species of fish and aquatic plants harvested in accordance with the Act and this regulation are approved for trade and barter unless otherwise prohibited by the director, by Order.

Transportation of fish and aquatic plants

- 5.2** (a) A person that transports outside the Maa-nulth domestic fishing area, for their own personal use or for trade and barter, fish or aquatic plants harvested in Toquaht fisheries is required to have in their possession a transportation certificate issued by the manager that specifies
- (i) the quantity of each species of fish or aquatic plant being transported, and
 - (ii) the destination of the transported fish or aquatic plants.
- (b) A transportation certificate referred to in subsection (a) must be
- (i) in a form approved by the director, and
 - (ii) signed by the manager.
- (c) A person must not alter or deface a transportation certificate issued under this section.
- (d) If a transportation certificate is issued under subsection (a), a person who is transporting fish or aquatic plants for trade and barter must produce that transportation certificate on demand of an enforcement officer.

Fish harvesting rights outside Toquaht territory

- 5.3** (a) A Toquaht enrollee must not exercise his or her right to harvest fish and aquatic plants outside of the Toquaht territory except in compliance with this section.
- (b) If a Toquaht enrollee wishes to exercise his or her right to harvest fish and aquatic plants outside of the Toquaht territory, that Toquaht enrollee must request of the manager, in the manner required by the director, permission for the Toquaht enrollee to exercise his or her right to harvest fish and aquatic plants outside of the Toquaht territory.
- (c) A request made under subsection (b) must be in writing and include
- (i) the particular Maa-nulth First Nation area in which that Toquaht enrollee wishes to exercise his or her right to harvest fish and aquatic plants,
 - (ii) the times during which that Toquaht enrollee wishes to exercise his or her right to harvest fish and aquatic plants,
 - (iii) the species of fish or aquatic plants that Toquaht enrollee wishes to harvest, and
 - (iv) the fishing gear and methods of harvest that Toquaht enrollee intends to utilize in exercising his or her right to harvest fish and aquatic plants.
- (d) If the manager receives a request under subsection (b), the manager must, before issuing authorization under subsection (e), contact the appropriate representative of the applicable Maa-nulth First Nation whose Maa-nulth First Nation area the Toquaht enrollee who made the request under subsection (b) wishes to exercise his or her right to harvest fish and aquatic plants in and seek permission on behalf of that Maa-nulth First Nation in accordance with Nuu-chah-nulth traditional practices and protocols or any written protocols or agreements between the Maa-nulth First Nations for the exercise of that right to harvest fish and aquatic plants by that Toquaht enrollee in that Maa-nulth First Nation area.
- (e) If permission is given as contemplated in subsection (d), the manager may issue written authorization to the Toquaht enrollee who made the request under subsection (b) to exercise his or her right to harvest fish and aquatic plants in the Maa-nulth First Nation area of the Maa-nulth First Nation on whose behalf permission was given under subsection (d) and the manager may place the reasonable conditions the manager decides are necessary or advisable in the circumstances on that harvesting.
- (f) A Toquaht enrollee issued written authorization under subsection (e) must only exercise his or her right to harvest fish and aquatic plants outside of the Toquaht

territory in accordance with the laws of the applicable Maa-nulth First Nation and any conditions of the manager under subsection (e).

Variation of regulations

- 5.4** (a) If a time or location for harvesting fish or aquatic plants, a fishing quota or a restriction on the size, age, weight or sex of fish is permitted or prohibited under these regulations, the director may, by Order, vary that time, location, fishing quota or limitation and make different orders for different classes of holders of a Toquaht fishing authorization, or for different species of fish or aquatic plants.
- (b) The director may not make an Order under subsection (a) that is inconsistent with a Maa-nulth harvest document.
- (c) If the director makes a variation Order under this section, notice of the variation must be given by the manager by posting the notice in accordance with Toquaht law and one or more of the following methods:
- (i) posting the notice in the area or in the vicinity of the area affected by the variation;
 - (ii) transmitting the notice by electronic means to those persons affected by the Order; and
 - (iii) providing verbal notice to those affected by the Order.

Offences

- 5.5** (a) Every person who contravenes these regulations commits an offence punishable under the Act.
- (b) Subject to the Act and any other applicable Toquaht enactment, the director may determine the fine associated for each offence punishable under the Act.

Registered Vessels:

No registered vessel will be used to harvest fish under authority of this Authorization and Designation for a species of fish:

- (a) within a period of six (6) hours prior to that vessel being used to harvest fish of the same species under the authority of a commercial fishing licence;
- (b) while that vessel is being used to harvest fish of the same species under the authority of a commercial licence; or
- (c) within a period of twelve (12) hours after that vessel has been used to harvest fish of the same species under the authority of a commercial fishing licence.

Gill nets will be marked as follows:

- (a) a buoy floating on the surface of the water shall be attached to each end of every gill net that is not attached to a vessel;
- (b) the buoys referred to in subparagraph (a) shall be orange and at least 125 cm in circumference and;
- (c) the end of the gill net that is not attached to a vessel shall be marked with a lantern that gives a steady white light during the period beginning one hour after sunset and ending one hour before sunrise.

The buoys referred to above will be identified with the name of the Authorization and Designation holder and Toquaht in characters not less than 75 mm in height.

Catch Reporting:

The Authorization and Designation holder will receive a Toquaht Catch Book as an attachment to this Authorization and Designation.

The Authorization and Designation holder will maintain catch records of all harvest operations in the Toquaht Catch Book.

The Authorization and Designation holder will include the following information in the Toquaht Catch Book in order to prepare a weekly catch report to be delivered to the director:

<u>Fields Names</u>	<u>Examples</u>
• Date fished	Aug 25, 2012
• Sub-area(s) fished	23-4 & 23-7
• Number of hours fished	4 hrs
• Number of sets	3 sets
• Number of fish caught and retained by species	3,000 sockeye, 28 pinks
• Number of fish caught and released by species	5 chinook

Vessel Identification Flag:

A vessel designated to harvest fish under this Authorization and Designation must be identified by the Identification Number specified by the Authorization and Designation and by affixing a Vessel Identification Flag. The Vessel Identification Flag shall be mounted as high as practicable and be clearly visible, legible, and unobstructed from view.

To receive payment the Authorization and Designation holder shall return the Vessel Identification Flag to the director upon expiry of this Authorization and Designation.

This Authorization and Designation will be carried on the designated vessel at all times while the vessel is used for fishing and transporting fish under this Authorization and Designation and will be presented on request of an enforcement officer.
