The traditional territory of the Toquaht Nation has in the past provided the resources necessary to sustain the Toquaht Nation and we honour our connection to the lands, waters and resources of our traditional territory which provide for our physical and spiritual needs.

Through our inherent right to self-government, the Toquaht Nation has preserved and protected our traditional territory and we accept the obligations and responsibilities inherent in governing Toquaht Lands and pledge to protect Toquaht lands for future generations of our Toquaht citizens.

It is the desire of the Toquaht Nation that we promote a healthy and prosperous future that ensures the continued existence of the Toquaht Nation as a strong political, social and cultural community that aspires to grow as an organized, determined, successful and self-reliant people.

The Toquaht Nation values the need to respect, protect and promote our heritage, culture and traditions which form the basis of its success and our destiny while understanding that these practices may change and require contemporary expression.

It is the desire of the Toquaht Nation that our Toquaht lands continue to provide the resources necessary to sustain us, preserve our traditional ways and culture, encourage self-sufficiency and security through economic development and growth and to provide a home for the Toquaht people forever.
